EDUCATION

University of Victoria

BSc in Computer Science, Third Year

May 2021 – Present, Victoria, Canada

- Proudly completed my transfer into Computer Science after returning to school and **exceeding** transfer requirements.

PROJECTS

Farm Time – Humble 2D, top-down farming game

- **C++/C** farming game where players can walk around and harvest crops.
- Written with the vector graphics/media library **raylib** (no game engine).

Campies – Campsite posting and review application

- Web app enabling where users can post and review local campgrounds.
- **Express** route handlers receive user submitted requests to create, view, review, and delete campgrounds.
- **JSON** payloads are de-structured and user data is parsed and stored in **MongoDB**.
- After successfully receiving requests, further express routes handle applicable responses (ex. Successful creation of website message, URL re-routing after submitting review form).

Book Finder – Information on books

- Helps users find all relevant information on queried book via **Google Books API**.
- Parses **JSON** response and embeds info on a responsive webpage using **HTML** and **CSS Flexbox**.

CERTIFICATIONS

Full Stack Open

by The University of Helsinki

Dec 2023 – Present

- Wrote and debugged **React** web apps with the React Tools browser extension.
- Interfaced with **REST APIs** using **Axios**.
- Hosted locally with **Node**.

Web Developer Bootcamp

by Colt Steele

July 2021 – Jan 2023

- Rendered markup with **HTML** and **EJS**.
- Styled with **Bootstrap** and vanilla **CSS**.
- Deployed full-scale **CRUD** web applications utilizing **Express** for route handling, **MongoDB** to store user/website data, and many more npm packages (ex. **bcrypt** for user security, **Joi** for **schema validation**).

WORK EXPERIENCE

Canada Post Company

Letter Carrier

July 2020 – Present, Victoria, Canada

- Comfortable with fluctuating workloads and meeting deadlines as parcel volumes routinely increase during winter times.
- Tackled new delivery routes every day in and around the Greater Victoria Area.

VOLUNTEERING

Rotaract

Victoria Club

January 2024 – Present

- Eager to get more involved in the community my girlfriend suggested I get involved with her at Rotaract. I've really enjoyed being able to help out!
